CONSIDER THE ALTERNATIVES: A DOCUMENTARY FILM SERIES

Consider the Alternatives asks its audience to consider the alternatives—always. Using an eclectic array of subject matter, the films showcased in *Consider the Alternatives* explore both alternative responses to social problems and alternative ways of living and organizing families and societies, all while celebrating human triumph over adversity and repression. *Consider the Alternatives* is curated by documentary filmmaker Meg Knowles and media and social critic Mike Niman, both professors in the Buffalo State College Communication Department.

Cost: free for Burchfield Penney members , Buffalo State College students, faculty and staff, $5 for "not yet" members.
